## Happy Birthday Peters Township Public Library

Thank you to all who came out to help us celebrate the library's 60th birthday on Oct. 22. Many people entered our doors on that day to enjoy presentations, games, balloons, slide shows, fun activities, and of course – cake and ice cream!

## Homebound Delivery

Feeling under the weather and not able to visit the library? Let us bring the library to you! Our Homebound Delivery Service is available to township residents of any age who are unable to come to the library due to a temporary or permanent illness, visual problem, or other limitation. Volunteers will select, deliver, and pick up library materials to qualifying Peters Township residents for a one-month period. If interested in using this service, please complete a PTPL Homebound Delivery Form and return it to the library. Forms are available online at [ptlibrary.org](http://ptlibrary.org) under "using the library," or at the Circulation Desk. Don't have a WAGGIN Library Card? No problem, we can sign you up for a new one when we deliver!

## THE PETERS TOWNSHIP LIBRARY FOUNDATION

Thanks to The Peters Township Library Foundation mail drive, the library has been receiving donation envelopes on a daily basis! We love checking our mailbox each day to find more envelopes filled with our community's generosity. There is still time for your end of the year tax-deductible gift to the Foundation's mail drive, or by clicking our Donate button online at [ptlibrary.org](http://ptlibrary.org). As a donor you have the opportunity to contribute to the library – the thread that holds together the fabric of our community.

## Featured Resource: Audiobooks

When it comes to audiobooks, the library has many free options for you to enjoy.

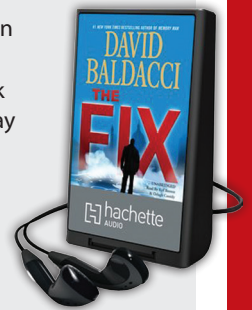

### Audiobooks on CD:

Check out our collection on the second floor of the library. The audio discs can be played on a CD player in your car, home, computer, or mobile player. Some CD's come in MP3 format to be transferred to a portable MP3 player. Audiobooks can be borrowed from the library for a two-week period.

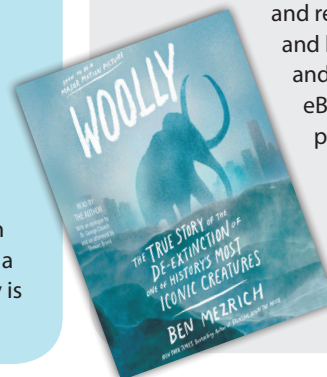

### Playaway:

A Playaway is a portable media player designed for libraries. When it comes to audiobook formats, Playaways are a great choice! Unlike audio CD's or downloads, a Playaway does not need a separate player. Instead, they come pre-loaded with a single audiobook and ready to use. At only two ounces and five narration speeds, you can easily listen at your own pace. Plug in your own earbuds or auxiliary cord to listen on the go. Earbuds and auxiliary cords are available at the Circulation Desk for a small fee. Look for our Playaway collection on the first floor. Playaways can be borrowed from the library for a two-week period.

### OverDrive:

Did you know you can borrow audiobooks for free from the library? All you need is your WAGGIN card and an Internet connection. You can search through 1,000 downloadable audiobooks available 24/7 with no late fees since titles are automatically returned. You can browse titles, place holds, and create wish lists. OverDrive has several tutorials on getting started, how to borrow, read, and return eBooks and audiobooks, and how to use the OverDrive app and Libby – a ground-breaking eBook reader and audiobook player. OverDrive books can be checked out digitally for either 7 or 14 days. Can't find what you want? To recommend a title for audio, email [wagginhelpp@gmail.com](mailto:wagginhelpp@gmail.com).

Sunday, Dec. 10, 1:30 p.m.

You are invited to a performance of Civil War Era Christmas music by the folk group "Acoustic Shadows of the Blue and Gray". This is an excellent opportunity to listen to songs as they would have been authentically played during the Civil War. The group will perform favorite songs including "Lorena," popular on both Union and Confederate sides; "The Battle Hymn of the Republic," "The Bonnie Blue Flag," "Rally Round the Flag," "Goober Peas," and "It is Well With My Soul". Other Civil War favorites featured will include "Dixie," "The Battle of Shiloh Hill," and "Shenandoah".

This group, led by Band Leader Harry Fisher, perform in Civil War era uniforms and provide guests an evening of listening to a repertoire of songs not often heard and a chance for a singalong with the band. Performers include Harry Fisher who plays banjo, Michael Fisher on the mandolin and guitar, Bill Kistler on guitar, and Mark Kinan, who doubles on the banjo and as a percussionist. For some two decades, the band has been performing for area audiences including the California University of Pennsylvania Civil War Roundtable. ## **America in War and Peace**

Thursday, Jan. 18, 7 p.m.

Michael Neiberg returns to the library to present a program as part of Peters Township Public Library *Great War* commemorative programs. Dr. Neiberg's presentation is the concluding event hosted by our library as part of the *World War I and America* project presented by Library of America in partnership with the Gilder Lehrman Institute of American History, and the National World War I Museum and Memorial, with generous support from the National Endowment for the Humanities. This talk examines the role of the United States in winning the war and shaping the postwar peace. Military strategy and postwar diplomacy were intimately linked, as President Woodrow Wilson sought a distinct, independent American contribution to victory in order to ensure him a guiding role in the peace conference. Wilson's views on the postwar peace met with tremendous resistance, both from his European allies and from his fellow Americans. Echoes of that debate still resonate with us today as America again debates its place in the world.

Michael Neiberg has a Ph.D. in History from Carnegie Mellon University and is the inaugural Chair of War Studies in the Department of National Security and Strategy at the United States Army War College. His published work specializes on the First and Second World Wars, notably the American and French experiences.

Most computer classes cost \$5, although free classes are occasionally offered. Basic mouse and keyboard skills required. Classes are limited to nine students unless noted otherwise.
