Secure Your ID Day

SATURDAY, APRIL 21

10 a.m. to 1 p.m. (or until the shred trucks are full)

Did you know that protecting your identity is largely in your own hands? Fifty-six percent of identity theft victims traced the theft to something that was stolen from their own possession. So here's the first rule: If you don't need it, shred it – responsibly. The BBB and the Peters Township Public Library is here to help with Secure Your ID Day featuring FREE on-site shredding in the library parking lot plus tips to protect your identity. BBB volunteers will guide cars through a moving line, offload their disposable items, shred them on the spot, and distribute goodie bags with educational ID theft and fraud prevention materials. Each vehicle may dispose of a maximum of 3 boxes/bags of paper-based materials. For information relating to Secure Your ID Day, please contact Caitlin Driscoll at 412.456.2700 ext. 110.

CARL'S STORY*Thursday, May 10, 7 to 8:30 p.m.*

Carl Willig died at the Battle of St. Mihiel on September 16, 1918, the last day of America's first solo victory on European soil. Fifty-six days before the Great War ended and thirty minutes

before his replacement arrived, a high impact shell struck and instantly killed Carl. In what we now call the "fog of war," Carl was lost, listed among the 284 "missing." As years went by, he was almost forgotten. But, on November 10, 2008, Noretta Willig's phone rang and a genealogist working for the Army identified her as Carl's next of kin. Ninety years after his death, Carl's story begins again.

Noretta reveals the mystery of Carl's identification. She traces his eventual journey home to be met at Pittsburgh International Airport by the 316th Sustainment Command and finally laid to rest with full military honors at Versailles Cemetery on June 19, 2009. Noretta then takes us back to the place where Carl fell in a woods in France.

A graduate of Ohio University with a Master's degree from the University of Pittsburgh, Noretta began her career in journalism as an editor with PPG Industries. Later she taught American and European literature in a local high school. She has traveled throughout the 50 states and to many foreign countries, including the battle fields of France.
